A Project of Peeran Associates

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

A Rising Name

Peeran Associates

By the Grace of Almighty Lord Peeran Associates is among one of the leading real estate, marketing and construction firm. It is registered since 2008 with FBR, Sales tax, Pakistan Engineering Council and Islamabad Estate Agents Association (Regd). It is a team of professionals with qualified engineers and consultants.

The company has delivered more than 70 residential projects of various dimensions successfully in different sectors of Islamabad. Apart from this, six commercial projects in sector G-15, F-15, E-16, Topcity-1 and Faisal Town are also accomplished under the umbrella of Peeran Associates.

THE SECTOR F-18 FAISAL TOWN

Faisal Town is a project of Zedem International Pvt Ltd. It is considered among one of the best location project in Twin cities, near most to the new international airport and adjacent to Motorway. Faisal Town among all the other contemporary housing schemes is the only one where luxury, state of the art architecture and amenities provide comfortable living. It is an elegantly planned housing scheme unlike anything witnessed before. A wide network of wide carpeted roads, hospitals, schools, cricket stadium & Football ground have constructed in the society.

FRIEND'S ARCADE | SIX⁰

Friends Arcade 06 is a four story multi-purpose building. Its lower ground & ground is reserved for commercial activities. The upper two floors have apartments with independent and private entrance. Friends Arcade 06 is three side corner with park facing & mesmerizing view. Its locality within the town makes it intriguing for investment. That is why the project itself is ideal for business and high rental returns. Project is designed by well experienced and qualified professionals. Under the supervision of qualified engineers and consultants, the project will surely meet the desired standards and goals.
